Press Release

Madison Pacific proud sponsor at GAIM Ops Cayman

April 2019

The 2019 Global Alternative Investment Management Operations Conference was held in the Cayman Islands from April 28 – May 1, 2019 at the Ritz Carlton, Grand Cayman. The four-day conference included over 500 attendees that are leading experts from across operations, compliance and operational due diligence with industry leaders including COOs, CCOs, Counsels, CFOs, and Head of Operational Due Diligence.

Madison Pacific's Managing Directors, Mr. Jonathan Hatch and Mr. David Naphtali hosted speaker led lunch tables on April 29, 2019.

The topic of "The View from Asia – Structuring considerations for Private Credit" was very much well received by the attendees and discussed over a lively session during lunch.

Madison Pacific, a Tricor Company, is a premier provider of specialised independent financial and corporate services. Our services include Trust & Agency, Escrow & Custody, Asset Management and Directorships.

Madison Pacific provides responsive and flexible services across a diverse range of industries and geographies including emerging markets as well as a variety of transaction types. Our growth has come from expertise in the alternative asset class (private equity, hedge) in general, particularly with special situations or distressed lending. Madison Pacific is frequently involved in debt transactions of all types including bond and note issuances (public and private) as well as club and syndicated lending. We are regularly engaged on 'new money' deals as well as replacement trustee or agent.
