Madison Pacific, a Tricor Company, is a premier provider of specialised independent financial and corporate services. Our services include Trust & Agency, Escrow & Custody, Asset Management and Directorships.

Madison Pacific provides responsive and flexible services across a diverse range of industries and geographies including emerging markets as well as a variety of transaction types. Our growth has come from expertise in the alternative asset class (private equity, hedge) in general, particularly with special situations or distressed lending. Madison Pacific is frequently involved in debt transactions of all types including bond and note issuances (public and private) as well as club and syndicated lending. We are regularly engaged on 'new money' deals as well as replacement trustee or agent.
