### **Madison Pacific London Hosts Inaugural Welcome Event in Support of Charities**

March 2020

On 2 March 2020, Madison Pacific London hosted their first ever event. It was held at the beautiful and historic Museum of the Order of St John, the former headquarters of St John Ambulance, and fabulous canapés were provided by the inspirational organisation, The Clink Charity, which works to retrain and rehabilitate prisoners and help the homeless. Some of the drinks on offer were produced by social enterprises.

Both Managing Directors from Madison Pacific, Mr. Jonathan Hatch and Mr. David Naphtali gladly attended this event hosted by their new Head of London, Mrs. Vicky Münzer-Jones.

This was a great evening which provided an opportunity for guests to meet old friends and make new ones and resulted in many of the attendees saying that they hope to pursue further involvement with the charities showcased.

Madison Pacific sincerely thanks all their guests that came along to this inaugural event.
